Birla High School – Mukundapur presents

Seventh Edition – June 2023

Bits and Bytes

Current Topic >>>

Bagless Day

No backpacks on this day, Its all fun and games in every way!

G20

The G20 Summit is an international forum for the governments from 20 major economies of the world.

In 2023 our very own country is presiding over the Summit and is eager to promote a universal sense of oneness.

The theme being - **“One Earth, One Family, One Future”**

The students of our school indulged in various activities in class to understand the value which each country will add to this massive collaboration.

We celebrate bagless day to not only encourage students to participate in extra-curricular activities but also to provide a different module of learning for skill development.

Set the stage >>>

Inter-House Competitions

Raman House conducted the Inter-House Singing Competition on 21st June, 2023 in the school campus for Classes III - X. The students of Kalam House were declared winners.

The Inter-House Tug of War competition was held for students of Classes III & IV. Raman & Sarabhai House took the trophy home.

The Inter-House Dance Competition was held on 5th May, 2023 in the school campus for Classes III - X. The students of Kalam House were declared winners.

Young stars of Kindergarten enjoyed counting through the Number Line Activity as well as indulged in a Community Helper Roleplay with elan.

Look at what we're Learning!

Hunting for sight words!

Summer Sensations: The little ones of Kindergarten crafted fruity wonders and unlocked nutrition secrets. What a lot of fun they had with hats, shades, and flipflops, dancing to summer beats!

Subjects are taught to empower students to think for themselves, to consider matters and to take part in the art of attaining knowledge. Knowing is a process, not a product.

Learning becomes fun when theory translates to practical as exhibited by the exuberant ones of Class VI.

Students of Class VIII worked their way towards creating a working model of Squares and Square Roots.

Global Logo Hunt: Class VI mapped out G20 countries with creativity! Spotting, locating, and conquering the co-ordinates.

The flow of electrons and electric currents made vivid by the students of Class VI.

Class IV students conducted qualitative tests to find out whether different foodstuff contains starch or not.

The teaching - learning process as propounded by NEP 2020 involves knowledge, skills and attitude. As we gravitate towards a learner centric curriculum our main focus is to enable our pupils to develop a strong sense of commitment towards their interests and goals in life.

Global Exchange Programme

From Local to Global - A Cultural Exchange!
The students of Class III interacted with their peers from Ramallah Friends School, Palestine.

CELEBRATIONS>>>

Festivals and Special Days promote diversity, enables students to engage in meaningful dialogue, foster creativity, offer opportunities for civic pride, and improve our general psychological well-being. They make school an informative and better place to study in.

Mrs Rakhee Patel attended a workshop in Finland. She conducted a sharing session with the teaching faculty upon her return.

INVESTITURE CEREMONY

Team work makes dream work

On 23rd of June, 2023, the council members pledged to work as a team, lead by example, maintain discipline and take the school to greater heights of glory.

#FestFiesta

Our school participated in an Inter-School fest "Unmesh 2023" and won 2nd position in Rabindra Nritya and Creative Writing. We also received the overall 2nd position in this fest.
