Let Us Join Hands for a Greener Tomorrow...

### Working with VINISHA - The Mango Drive

Our students in association with Vinisha organised a collection drive of mango seeds. The objective of this drive was to collect these seeds to make saplings. Hundreds of seeds were handed over to a nursery. It was a positive step towards maintaining our biodiversity.

On 28<sup>th</sup> July 2023, the World Nature Conservation Day, students in collaboration with **SwitchON Foundation** worked on a project related to climate change.

### *"Go-Green Campaign"*

On 24<sup>th</sup> August 2023, the students assembled the parts of the climate clock in collaboration with SwitchON Foundation, Energy Swaraj and Earthday.Org.

Our school under the leadership of three students took part in the campaign organized by Indian Green Building Council (IGBC), which envisions "A sustainable environment for all and vouches India to be one of the global leaders in this regard by 2025."

Dry waste management
